Contract Given For New School

CONTRACT PRICE \$1,247,366.00

The Haliburton County Board of Education has given the contract for the Haliburton Highlands Senior Elementary School to M. Sullivan and Son, Limited, of Arnprior, Ontario. The contract price is \$1,247,366.00 and the completion date is expected to be December 1, 1971. M. Sullivan and Sons, Limited constructed the Haliburton Highlands Secondary School in 1952.

The new school is to be located one thousand feet from the Haliburton Highlands Secondary School on property facing the new Red Cross Hospital and Grass Lake. The school is to accommodate Grade 5 to 8 students from Glamorgan, Monmouth, Stanhope, east of Highway 35 and Grades 4 to 8 students from Dysart et Al. The estimated enrolment is 600.

The Board plans to continue operating West Guilford School, with three rooms of Grades 1 to 3; Wilberforce with four rooms of Grades 1 to 4; and Gooderham with Grades 1 to 4. The arrangements will depend on future enrolments in these communities.

The Kindergarten, Grades 1, 2 and 3 of Haliburton will continue to operate in Victoria Street School using seven rooms. It is planned to use Lakeview School as Administrative Offices for the Board.

The new school's accommodation will take the place of Harcourt (two rooms), Eagle Lake School (two rooms), Lakeview (4 rooms), four Portable Classrooms and five classes presently in undersized basement rooms. Also, it is hoped to reduce class sizes so that no class be larger than 30 students.

Mr. Douglas H. Devolin has been named principal of the Victoria Street School.

NOTE TO ADVERTISERS

In order that the Progress will reach everyone next week before Christmas, we will be publishing on Tuesday. Anyone wishing to advertise or have news items printed are asked to have them into the office on Monday, before 5 p.m.

TURKY BINGO TONIGHT

The Minden Rotary Club will be holding their annual Turkey Bingo in the arena, tonight (Thursday), so make it a point to be on hand, you could walk away with your Christmas feast. This Bingo will be the last one until, January 28th, 1971.

MORE INTEREST NEEDED TO ENSURE COLLEGE CLASSES IN HALIBURTON HIGHLANDS

Courses from Sir Sandford Fleming College may be held in the Haliburton Highlands, although more interest still is needed, according to Fred Anderson, Sir Sandford's director of continuing education.

Mr. Anderson said the three January courses now being offered, including creative writing for the media, investment in real estate and planning for profits, represent a pilot project to find out if programs should be conducted on a continuing basis there. No formal academic pre-requisites are needed for the present courses.

Last Friday, about half of the required 30 registrations needed to ensure success of the venture had been received, and the deadline for registrations has been extended to December 23, 1970.

The College proposes to conduct classes at the Haliburton School of Fine Arts building in Haliburton Village via a two-way electronic link with a classroom at the Peterborough campus, providing instruction identical to that received by Peterborough residents.

The system represents the only practical method of conducting small classes, but the link still is relatively costly.

'The College wants to provide this service, but naturally we must be sure the demand exists,' said Mr. Anderson. 'We are asking now.'

Supported by the Haliburton Highlands Chamber of Commerce and other local organizations in Minden and Haliburton, the project would mean a considerable expansion of local College involvement beyond the present summer and fall programs of the fine arts school, which is administered by Sir Sandford's continuing education division.

For further information, citizens may contact either Ted Campbell, at the Chamber of Commerce office in Minden (286-1760), or Mrs. Alice Duggan at the Haliburton School of Fine Arts in Haliburton Village (457-1680).

AREA PROGRESSIVE CONSERVATIVES FORM NEW DISTRICT ORGANIZATION

The new Progressive Conservative association which came into being Wednesday evening at the Lindsay armoury could become a sounding board where party members can present their thoughts and ideas.

Glen Hodgson MPP for Victoria-Haliburton said further that he believed the new district organization for East Central Ontario could do things individual ridings could not, including organizing seminars and obtaining important speakers.

Representatives from five of the seven riding associations in the new area attended the meeting at the armoury, hosted by Murray Agnew, president of the Victoria-Haliburton Riding Association, and chaired by Sam Murphy of Peterborough. Associations represented were Victoria-Haliburton, Peterboro, Northumberland, Oshawa, and Durham; Ontario South and Ontario ridings are also in the district.

Glen Hodgson and two other MPPs, Russell Rowe of Northumberland and Alex Carruthers

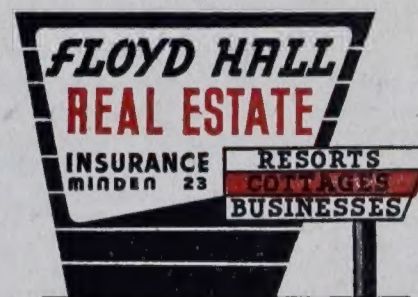

of Durham riding, were present.

Elected to the new district executive were: President Sam Murray, Peterborough; Secretary Ald. Alene Holt, Peterboro; Treasurer George Inrig, Lindsay, and vice-presidents Ray Lunn, Oshawa; George Stephen, Bowmanville; William Pettingill, Brighton; Dan (Joe) Allen, Peterborough; and Mrs. Kay Boyd, Lindsay. Auditors are John McLaughlin of Oshawa and Mrs. George Edwards of Northumberland.

Five district delegates for the provincial leadership convention will be selected when the group meets again in January. Although it was noted that leadership contenders would find it impossible to visit the 117 ridings in the province, it was hoped that they would address the seven ridings in their own district.

HERE AND THERE

with Fenwick Finch

Before completing my notes left over from last week's column let's have a look at a couple of items.

* * * *

Mrs. Alice Dugan of the Haliburton School of Fine arts has informed me that the final date for registration in the Sir Sandford Fleming College courses to take place in Haliburton have been extended to December the 23rd.

There are three courses available — Creative writing for the Media, Investment in Real Estate and Planning for profits. All three courses are comprehensive and both young and old could derive a great deal of benefit from them. If interested get in touch with Mrs. Alice Dugan at Haliburton or Ted Campbell at the Chamber Office.

* * * *

Walter Perk's many friends will be pleased to hear that he is retiring to our area in January of 1971. Walter has had a summer cottage at Bat Lake and says he couldn't think of a finer place for retirement. For over 30 years Walt has been with the Ontario Hydro and, since 1953 he has been the chief draughtsman of the Generation Projects Division.

* * * *

Now, let's get back to the continuation of last week's column. As we mentioned last week the reason alcohol was so acceptable is that the great majority of the people find alcohol socially acceptable.

It is not uncommon for people to say, "alcohol releases the Beast in men — makes fools of men — shows what a man really is, that it breaks down his inhibitions." This may be true. The important fact remains that alcohol makes it possible for man to do what he wants to do without feeling guilty or remorse. Should this wear off and guilt and remorse appear he only needs a couple of "shots" to drown the feelings again. This is where the circle comes in. Now, alcohol seems like a panacea but, and here's where the rub comes in. All this good feeling would be fine if alcohol wasn't poisonous. This poisonous action works in two ways — Firstly it is an actual bodily poison. The dose varies from person to person, time to time, etc. Some people seem to be able to use alcohol over a long period of time without any serious results. Now, you can't live without self-criticism. You can't go through life telling people what you think of them and do what you please — there has to be some sort of control here. Secondly the effect of alcohol on your mind can be a serious problem. If all alcohol was used for to make social meetings congenial for the shy and nervous people then it would be fine. Unfortunately drinkers become, Solitary Drunks, (the worst kind) and "Fighting Drunks". These fighting drunks seem to single someone out when they are tanked up and their feelings of guilt and fear are no longer repressed and they proceed to wipe out that which they fear. However, no matter how you look at it alcohol may serve a good purpose but, on the other hand they can lead to destruction. The whole thing is to keep this method of fitting into the "Group" under control.

With all the snow we've been getting Sir Sam's Inn Ski hills are getting in full swing — get in touch with Bob Bishop and he'll be glad to fill you in on what's going on. Drive carefully and I'll see you next week.

The Winter Carnival is on the way — be sure you're here to enjoy it.

WINTER CARNIVAL 1971

The 1971 Winter Carnival will again be an opportunity to welcome many people to Minden to enjoy some Winter Fun.

We hope to have a good program prepared for the enjoyment of all. Some of the events planned are as follows:

Broomball Tournament will have many teams competing for the new Molsons Trophy.

The Carnival Queen contest will be held on Friday, January 29, in the arena. Winner will take home many prizes, along with the Minden Progress Trophy.

A big dance will be held at the Public School on Friday and one again Saturday in the arena.

Snowmobile races will be held at the Fair Grounds on Saturday and Sunday — anyone may enter.

We are pleased to have Johnny Bower to open the Carnival. Also it will be nice to welcome back Vic Carter and the Brampton Clown Band.

Come in and discover the new RK high performance twins

- High performance twin cylinder 32 hp. and 36 hp. engines with dual carbs
- New molded polyurethane track for greater traction, surer stops and starts
- Quick action caliper brakes • Stiff ski springs for greater stability • Racing styled deep foam seat • Twin sealed-beam headlights and more

Seven models for '71, the fast, light 200's, the stable Wide-Track 2000's and the high performance RK Twins.

SHOP AT HOME

It has been said many times that this "Is the Land of Plenty". Plenty of taxes, plenty of Government spending, plenty of bills, plenty of headaches. Each year at this time we like to tell everyone that this town of Minden has plenty of everything for the Christmas shopper. Gift-buying or Christmas shopping is now at its height and citizens would do well to consider the benefits of spending their money locally.

Here in Minden the Business section has shown continual development. This has been made possible by the support given the merchants, who in turn invest a large portion of their profits back into their business giving better service and a distinctive look to the community.

It has never ceased to amaze me the quantity and quality of merchandise in this town. Now you may hear some people say, "you can't get this here", and "you can't get that here", but believe me, this is said in every town. For my money, this community is a leader, for it's size when it comes to shopping.

Purchasing at home is an investment which produces all kinds of beneficial results, both directly and indirectly. For instance, the success, of a main street, regardless of what town you live in, describes the success of that community and everyone living in it. The business people are the ones who carry the load in taxes, club service work, donations, employment — these four items involve everyone, one way or another.

Like the business people, who do everything in their power to keep the townspeople and tourists happy, it is also the townspeople's responsibility as good citizens to support the businessmen, with harmony and co-operation, between the businessmen and the people, everyone will benefit.

This town can boast of a most complete line of business, to be found in any small community. We have everything from furniture to sporting goods; from clothing to cosmetics; from hair stylists to hardware; from snowmobiles to souvenirs. You name it and we have it here in Minden.

Christmas is a great time of year — and we must say an excellent time of year to help one another. In buying at home, everyone around you will be affected and bettered, one way or another. We are a community separated by many miles from others, we should join hands and build a greater future, for ourselves. One way to do this is to keep our money inside our borders.

Shopping at home during the Christmas season is an excellent time to display your faith and appreciation in the local merchants and the service they strive to give.

It is a town of plenty — let's keep it that way by spending our money here.

KINMOUNT LEGION RECEIVES PLAQUE

Members of the Kinmount John McGrath Branch 441, of the Royal Canadian Legion recently were hosts to a 'Richard Roach Night' at the Kinmount auditorium.

Comrades from Cobocok, Fenelon Falls, Toronto and Lindsay attended and report an enjoyable evening despite a half-hour blackout during the program.

Special guests of the evening were Mr. and Mrs. Thomas McGrath, parents of World War 2 victim John McGrath in whose honor Kinmount Branch 441 was named.

During the evening a plaque was presented to Branch 441 by Com. Jack Dayman of Lindsay president of the 7th Canadian Medium Field Regiment, Royal Canadian Artillery Association on behalf of the 45th Battery. The presentation were Comrades Thomas Madill and Lloyd Eberts of Lindsay.

This was the first presentation of this type of plaque. Similar plaques will be presented to Branches at London, Listowel, Lindsay and Walkerton.

During the power black-out, committee members set up candles and lanterns and 'Dick' Roach a popular entertainer at the Academy Theatre during the last war when he presented a number of programs sponsored by the 45th Battery, kept the pace going with a one-man show.

Com. Gertie McKay of the Branch Women's Auxiliary and her committee served a buffet luncheon. Activities concluded with the singing of 'God Save the Queen'.

Among those attending from the surrounding area were Rev. and Mrs. Brecht of Cobocok, Fenelon Falls Branch 238 president Ken Smith and Mrs. Smith, Mr. and Mrs. Walter Bowen and Mr. and Mrs. Mel Copp of Fenelon Falls and Mr. and Mrs. Webdale of Oakwood.

The Haliburton Huskies Continue To Dominate. Bancroft Latest Victims

The Haliburton Huskies are still undefeated after Saturday night's game against Bancroft, as they defeated the visitors 6 to 3. Although the crowd was down to 350, due mainly to the oncoming Christmas season, the local boys were hardpressed during the contest with the result that this game was the most entertaining to date. The Bancroft club in their second year of operation have a very young and fast skating team. They have 9 midget aged players, which although lack experience certainly have lots of desire. The Huskies were never in complete control of the game as they have during most of the season and the game was never out of reach until the last few minutes. Cannington is the only team that the Huskies haven't played and they are looking forward to a home and home series with them this Friday in Cannington and Saturday night in Haliburton. With Cannington giving the Huskies such a close run to the wire last year, the

game promises to be a good one.

The first period was well played with shots on goal almost equal with the Huskies having 18 to Bancroft 16. The Huskies had a little edge in the play but Moore in the Bancroft net was very steady breaking up several good Husky chances. Gerry McElwain opened the scoring with a goal at the 13 minute mark on a goalmouth scramble. Rick Dunsfor was credited with an assist. Bob Woodcock scored 2 minutes later with McElwain and Cowan assisting. Bancroft got their first goal at 18:05 only to have McElwain score again a minute later. Parish and Cowan drew assists. Both teams traded second period goals, Bob Woodcock with his second of the game on a solo effort from centre ice in, after receiving passes from Gord Scheffee and Bev. Hicks. Both teams had the same number of shots on the net. Cam Botting scored both third period goals for the Huskies, the first at 4:08 giving the Husk-

ies a 5 to 2 lead. Bancroft narrowed their lead at 15:57 only to have Botting score a minute later with Wilson and Woodcock assisting. The final shots on net were, Huskies 45 to Bancrofts 37.

Lewis Dummitt was hit over the eye in the second period with the puck after a slapshot from just inside the blueline, it seemed to dip at the last second. Although Lewis was knocked out for a few seconds, he returned after a short rest and finished the game in sensational style. Craig Stamp was held pointless for the first time this year, as the puck wouldn't go in for either he or his wingers. Defencement Bob Woodcock picked up 3 points to challenge for the scoring leadership a la Bobby Orr. McElwain and Botting are also close and both picked up several points.

Saturday night should be very interesting as the Huskies attempt to increase their undefeated string to 9 games. Cannington usually have a very fast and rough team, and the Huskies shine in this type of game. Be sure to attend and see some first rate junior competition.

MINDEN MINOR HOCKEY NEWS

In Mite action over the week end, the locals dropped a very close 4 - 3 decision to Ops in the Kawartha league.

Scoring for Minden was Ricky Beeney with two and Harold Porter with a single.

Mervin Berry donated his bus for this Mite trip to Oakwood.

In Novice play, Minden beat Woodville on Friday night 5 to 1 and gained a 1 - 1 tie with Cannington on Sunday afternoon.

Mike Bird playing goal for the Minden club was outstanding in both the weekend games. Scoring in Woodville was Paul McKenzie, Brian Shaw, Tom Palmer, Tom Gough and Corey Walker.

Garry Harrison was the good shot on Sunday, picking up the equalizer in the third frame. The Minden Midgets won a

convincing 5 to 3 victory over Bobcaygeon on Thursday night.

Warren Payne, Bob Arbuthnot, Bill Leary each scored once while Lee Bull picked up two goals.

The Bantams split their weekend games losing a close 7 to 4 game on Friday to Haliburton, and bouncing back Monday night to edge this same team 4 to 3.

Allan Trepanier and Barry Ward each scored once on Friday night with John Welch scoring twice.

On Monday night John Welch came back to score two more, while singles went to Barry Ward and Kirk Rogers.

The Novice 'B' team kept up their winning ways by beating Beaverton on Saturday afternoon in Beaverton 1 to 0. Ken Walker was the marksman in this game scoring the big goal.

Road Superintendent

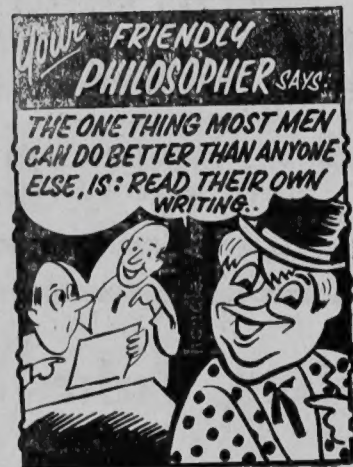

MAKING FRIENDS

Lauretta Dalasandra was just a year old when she had to have an operation on her hip. Being in a hospital can be a frightening experience for anyone. But a kind and friendly nurse like Deanne Cuthbertson can make home seem a little closer. THE HOSPITAL FOR SICK CHILDREN, Toronto has a staff of nearly 600 registered nurses, specially trained in paediatrics. More than 60 graduates come from the Hospital's School of Nursing each year. They help take care of the 27,600 children who are admitted to the Hospital every year. You can help too. Send your donation to the annual Christmas campaign. Write: THE HOSPITAL FOR SICK CHILDREN, BOX 440, STATION "Q", TORONTO, ONTARIO

AND THE CUPBOARD WAS BARE

At some time or other, most of us have chuckled over the nursery rhyme of Old Mother Hubbard who went to the cupboard to get her poor dog a bone — but it is a sad fact that within our own town, even as Christmas approaches, many families have cupboards that are nearly as bare. Bare not only of the varied foods we take for granted, but bare of dignity, bare of friendship, bare of hope.

Fortunately, there is a well-known organization that is dedicated to filling these cupboards with the joy of Christmas. Since 1865, The Salvation Army has worked hard to help the ill, the needy, and the troubled. As we enter another holiday season its men and women are redoubling their efforts to seek out and aid those who would otherwise have a bleak and cold Christmas. Alcoholic, unwed mothers, aged shut-ins, hospital patients, prison inmates, deprived children — all these and more find Christmas joy through The Salvation Army.

MINISTER ANNOUNCES FREE RESIDENT ANGLING LICENCE FOR SENIOR CITIZENS

The following is taken from
 a recent public statement made
 by the Hon. Rene Brunelle,
 Minister of Lands and Forests
 for Ontario:-

During the past two years
 many citizens as well as most
 of my colleagues have approach-
 ed me to consider free angling
 licences for anyone over 65 years
 of age. My department has
 studied this matter for Ontario
 as well as adjacent jurisdictions.
 I have decided to provide a free
 licence to angle to all male res-
 idents over 65 years of age (all
 women are already exempted),
 who apply to a department of-
 fice and who can show proof of
 age beginning in 1971.

This means that special free-
 of-charge angling licences for
 male residents 65 years of age
 and over, regardless of wheth-
 er they are receiving a pension
 or not, will be available by Jan-
 uary 1st., 1971. As there will be
 no issuing fee involved, outside
 issuers are not being asked to
 handle these licences. They may
 be obtained at any Department
 of Lands and Forests office upon
 personal application. Applicants
 must show proof of age.

The reason for requiring sen-
 ior citizens to have a licence at
 all is because they represent a
 significant part of the angling
 public. The Department is em-
 barking on a survey of anglers
 to study their activities, needs
 and demands to determine pre-
 sent use and future manage-
 ment of sports fisheries in On-
 tario. The licence is a means of
 contact between fisherman and
 government.

SNOW AND ICE CONDITIONS

For the week ending Decem-
ber 7.

In Minden there is 7.1" of
 snow; Mountain Lake is still
 open. Haliburton has 8.7" of
 snow; Head Lake frozen over
 December 4th. Gooderham has
 6.8" of snow; Gooderham Lake
 frozen over December 5th.

All lakes are to be considered
 unsafe for travel. Lakes men-
 tioned above are used as indica-
 tors for respective areas.

THE NATION'S BUSINESS
by William C. Scott, M.P.

On December 2nd, the Federal Minister of National Health and Welfare tabled a bill that would purportedly ease the financial burden of the aged. This would be done, he said, by raising the amount of the basic old age pension and the amount of the guaranteed income supplement.

The document is a hollow mockery, and illustrates, once again, that the present government has no conception of the actual needs of the people in this country, and certainly has no idea as to how to tackle the problems. With much fanfare, Health Minister John Munro announced that the basic pension would be increased to \$80.00 per month, and the guaranteed income supplement from \$32.00 to \$55.00 monthly. Let us see just how much that will add to the financially distressed people in this country.

To begin with, the increase in the old age security cheques will amount to about 46c per month. At the same time, the Health Minister announced that the annual increment for increases in the cost of living will be dropped. This means that, in effect, the recipients of old age security will experience a drop in buying power of from 2% to 5% per year, taking into account the added effect of inflation. In 5 years time, this means that the 'increased' cheques will have \$70.00 of buying power, or less. This is some increase.

Next we find that the government is going to give about \$18.00 more in guaranteed income supplement, which will give elderly people with no other income the princely sum of \$135 per month, and this sum will decrease in value each due, due to the increase in the cost of living.

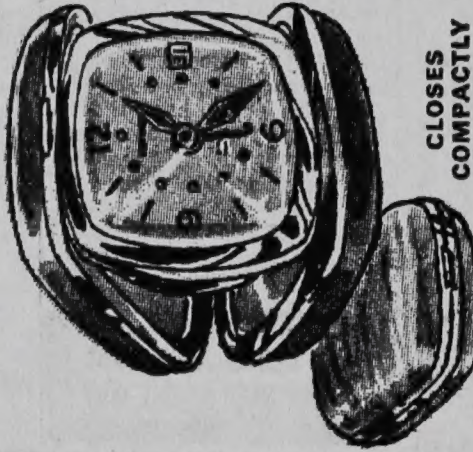

This past week, the government tabled what it called an interim budget, now dubbed 'mini-budget' by most members. Unfortunately, it is not a budget in the true senses of the word, and it falls utterly to accomplish the purpose assigned to it by the Finance Minister.

The budget was designed to create jobs to ease the plight of the hundreds of thousands of unemployed in the country. But, the budget provisions, designed to create jobs, are to become effective at some time in the future several months from

the budget provisions, designed to create jobs, are to become effective at some time in the future, several months from now. The unemployed in Canada need jobs today.

What the government fails to realize, even at this late date, is that jobs can only be created in a growing economy. Perhaps a few jobs can be created artificially as a stop-gap measure, but what we need now are several hundreds of thousands of jobs. Instead of new jobs for people entering the work force for the first time, we are experiencing increased unemployment at a rate that is alarming.

In order to stimulate the economy, the government should have lifted the 3% surtax on income taxes, imposed 3 years ago as a temporary, one-year measure. This is the third year for the surtax, and it continues to remove \$250 million every year in purchasing power that is sorely needed to get our economy moving again.

It is a great tragedy the government does not realize that, when the economy of the country was slowed down, unemployment began to increase at a very fast pace. The economy was kept in check for too long; in fact, it was kept in check even after it became evident that the measures being used would not cure inflation.

In order for the government to encourage industry and business to expand and increase employment, it must expand the economy, and accelerate the rate of economic growth. Until this is done, all of the mini-budgets it can produce will not create a single job.

CHRISTMAS GREETINGS

My wife and I would like to wish all our friends and neighbors far and near.

A merry Christmas and a happy and prosperous New Year.

Lawrence and Elsie Pritchard
 Minden, Ontario.

APPLES AT CHRISTMAS

Rosy red skins and snowy white flesh make Ontario apples perfect for Christmas. Crisp, tart, tangy apples add color and eye-appeal to appetizers and trays of hors d'oeuvres. Slices of red-skinned apple decorated with whole cloves make a seasonal garnish to float in the punch bowl.

To fill the punch bowl, home economists at the Ontario Department of Agriculture and Food suggest a spiced apple juice punch, served hot or cold. Heat apple juice with cloves, cinnamon, sugar, and thin slices of lemon. Another punch recipe apple and cranberry juice, a little cinnamon, and sugar to taste.

GLITTERING NAME PERSONALIZES GIFT WRAP

A typical Christmas Eve scene — midnight — mother and father caught in a tangle of ribbons, wrapping paper, bows, name tags and tape! Sound familiar?

Well, here's a novel way to avoid the last minute wrapping dilemma. Wrap presents in a plain, dark colored paper and personalize them by writing the lucky recipients name in silver or gold glitter.

This exercise takes much less time and you'd think, especially when there's CIL Household Cement to help you along. This transparent glue comes packaged in a slim tube, with a pin sized opening to allow the glue to flow evenly. Use it as a pen to write the name, and sprinkle bright glitter over the wet surface. Allow it to set for a few minutes, shake off the excess glue — and you're finished!

Perhaps this Christmas Eve, there'll be time for "visions of sugar plums" to dance in your head!

ABOUT THE TOWN

With Jeanne Sears

In looking over part of a "Tely" dated November 4, 1946 we noted that boys mitts of leather sizes 4 - 12 were just 69c; a quart of quick-dry enamel with brush was just 99c. The ladies suit shown was made of Harris Tweed double-breasted, costing \$29.95 and was of course Midi length.

Several funerals last week with sympathy going to Mrs. D. McGee on the death of her mother Georgina Schmidt, also to Mrs. Les Alton on the death of her father Clarence Tofflemire and to Dr. Fred Griffiths on the death of his father Frederick Griffiths.

Santa was saving his reindeer on his recent visit to Stedmans, as he arrived by snowmobile via the Hyland Crest Home. The children and parents filled the store on Saturday. Open House was on Thursday evening at Stedmans as well, with winners being Mrs. Ross Walker of a hair dryer; Master Roger Yearwood won the Vanity Dresser Set and Doris Nicholson, Caren Scott, Betty Hicks, Bette Herlihey, Elda Brockman, Fran Crawford, Marjorie Wynne, Vicky Stevenson, Tommy Holland and Carrie Vasey all won table cloths.

There will be a Festival of Lessons and Carols at Minden United Church Sunday evening at 8:30 on December 20th. This sounds like a fine evening of music by the United Church Choir, try to be there.

Don and Opal Crowe and family spent the weekend with Moyer and Pennay Hewitt at Caledon East and toured downtown Toronto to see the colourful displays in the windows.

Hint of the week: If you want to include a bit of salt in with a lunch, pour some in a drinking straw and twist both ends.

Have you noticed the new stamps just out before Christmas? These were designed by school children and two I noticed were the elfin Santa and the flood-lit house. These two were done by Indian children and there were twelve stamps designed in this way.

Saturday afternoon coffee and Christmas Cake was served at Cox's Apparel and winners on draws were Mrs. Maurice Holland Haliburton of \$25.00 in merchandise; Mrs. Dave Stamp, \$15.00 in merchandise and Mrs. Garth Kellet, \$10.00 in merchandise.

Congratulations to the newlyweds Mr. and Mrs. Harry Francis (nee Anne Theresa Young) whose wedding was Saturday.

Patients at the local hospital early this week were Mrs. Ethel Dean, Mr. Donald Brown, Mrs. Laurel Austen and baby boy, Miss Maud Burns, Master Gregory Stamp and Tom Bachelor. In Civic Hospital Peterborough for minor surgery is Mrs. Holly Stevens.

Does this apply to you? Most all the time, the whole year round, there ain't no flies on me. But jest for Christmas I'm as good as I kin be. — Eugene Fields.

Everything well covered with snow, hope it lasts till next weekend for the snowmobile races. Take it easy with the shovelling.

Cheerio until next week.

Now Is Your Opportunity To Bring College Courses To Your Doorstep

RECENT COMMUNICATION ADVANCES HAVE MADE IT POSSIBLE FOR SIR SANDFORD FLEMING COLLEGE TO BRING INSTRUCTION FROM PETERBOROUGH CLASSROOM TO THE HALIBURTON HIGHLANDS, IF THERE IS ENOUGH DEMAND. THE COLLEGE NOW IS ASKING YOU, BY OFFERING THE COURSES OUTLINED BELOW.

- OPEN TO ALL ADULTS
- NO ACADEMIC REQUIREMENTS
- THIS WOULD MEAN THE START OF FUTURE COURSES

TO REGISTER:

You may contact Ted Campbell at the Chamber of Commerce in Minden (286-1760) or Mrs. Alice Duggan at the School of Fine Arts in Haliburton Village (457-1680). Or you could send in the coupon.

FINAL REGISTRATION DATE IS DECEMBER 23, 1970

CREATIVE WRITING FOR THE MEDIA

This program is designed to acquaint potential writers with mass media techniques used in work for the press and magazines.

The course will include a study of the proven writing techniques in fiction and non-fiction as exemplified by some successful North American writers. While the program is limited in scope because of the time available, it should encourage creative endeavour. The instructor has journalistic experience, and is working on his second novel.
TIME: MONDAY, 7:30 to 9:30 p.m. commencing January 18, 1971 10 sessions. FEE \$15.00.

INVESTMENT IN REAL ESTATE

This general interest course will appeal to the potential home or cottage owner, and persons interested in buying land for income purposes.

Topics in the program will be:
Condition and location of the home
The needs of the buyer
Choosing a builder
Inspection of the older home
Types of Listing Agreements
Offers to Purchase
Agreements of Purchase and Sale
Cost of your investment
Financing your investment
Income producing property
Income tax reductions on investment property
Area Bylaws

TIME: Wednesdays, 7:30 to 9:30 p.m. commencing January 19, 1971. 10 sessions. FEE \$15.00

PLANNING FOR PROFITS

Open to all members of the business and industrial community who wish to increase their management skills.

Topics in the program will be:

What information does a small business owner need to operate his business profitably?
Methods of getting this information from an Income Statement and Balance Sheet.

Methods for discovering why a firm is short of cash, as well as possible courses of action to remedy the situation.

How a small business owner can pinpoint unprofitable areas of his business.

How to plan for a profitable operation.

How to use the plan so that potential trouble spots can be identified quickly and early action taken to eliminate them.

TIME: Tuesdays, 7:30 to 9:30 p.m., commencing January 20, 1971 10 sessions. FEE \$15.00

IN MEMORIAM

Of my dear Son Kenneth: This month comes with deep regret; It brings back a day I'll never forget. He fell asleep without goodbye. The memory of him will never die. Ever remembered by Mother, Brothers and Sisters.

CARD OF THANKS

I would like to take this opportunity to thank all the people of Minden and area, who over the last 10 years have purchased car tickets, wreaths, poppies and tickets on all Legion draws. This co-operation has enabled us to pay our mortgage of \$44,000 in six years rather than 10 years. My sincere appreciation for your loyal support.

Harry M. Cowen
Legionaire

I would like to express my thanks to our relatives, neighbors and friends for their kind thoughts and cards, while I was a patient in the Minden Red Cross Hospital, also a special thanks to Dr. Koval, Dr. Palmer and nursing staff, Rev. and Mrs. Schmidt and Women's Institute. I would also like to extend a very special thanks to my daughter and son-in-law and their family, for all the help and kindness they have given.

Alice Pogue.

We wish to thank all our friends and neighbors who so kindly sent floral tributes or assisted during our recent bereavement, of the loss of a loving father Robert James Martin.

Edna Pratt, Victor, Norman and Frank Martin

ENGAGEMENT

Mr. and Mrs. Leonard Lonsberry of Minden are pleased to announce the engagement of their daughter Pamela Gail to William Francis Devereaux, son of Mrs. Francis Devereaux and the late Francis Devereaux, Brockville.

THANK YOU
